I've al - ways been so re - li - a - ble, and I've ac - quired a mas - ter's touch. And by

leave it to me. I'll pick the horse to fin - ish last in the race.

14

Leave it to me. I'll pick the chair with the least amount of space. When

18

I go to shop at the mar - ket, I'm sure to pick the long - est line. And

22

when I step up to the check - stand, I'm al - ways short by a dime. So

26

leave it to me to run out of gas with just a mile to go.

30

Leave it to me to al - ways ar - rive ten min - utes af - ter the show. So

34

if you're search - ing for some - one who's fal - len in love hope - less - ly. Look no fur - ther just

39

leave it to me.
